I would have said more except for the fact that both arms are killing me. Wrapped up in heating pads.

But will get to the WAMS Party. Have a new song to sing.

SECRETARY/TREASURER REPORT

by Sarge Bell

There have been no Checks written since last month. Also we have had no income, so Club finances are the same as last month. For totals, come to our Christmas Party, December 11th, at 6 PM for actual financial numbers.

Remember, WAMS is paying for the meals for you and your family at the Christmas Party.

Also, if you want to participate in the Chinese Gift Exchange, bring a Model Aviation Related Gift of not more than \$20 and join in on the Fun.

RUNWAY REFLECTIONS

by Jim Pope

I only want to take a minute to wish each of you the merriest of Christmas's and the happiest forthcoming New Year possible. I hope Santa brings you exactly what you want and that you will pause a minute or so just to remember to reflect on what this holiday is all about.

I'm looking forward to a banner year for WAMS. With a lot of thought, planning and implementation your officers have paved the way for such. We owe them our humblest appreciation and thanks.

Merry Christmas! And I'll see you at the banquet.
